Coal Ch:micals business of SAIL

2211. SHRI SHIV PRATAP MI-SHRA: Will the Minister of STEEL be pleased to state;

(a) whether it is a fact that Steel Authority of Indtia Limited's Coal Chemicals business is facing uncer tain future on account of competition from other domestic suppliers as well as imports;

(b) if so, the details thereof; and

(c) what steps have been taken by Government in the matter?

THE MINISTER OF STATE OF THE MINISTRY OF STEEL (SHRI SONTOSH MOHAN DEV): (a) It is true that due to liberalised import policy, the import of different chemical items is now taking place at lower prices. This, in addition to the availablity from other domestic sources has made the market for most coal chemical products very competitive.

(b) and (c) The different coal chemical items being produced by SAIL Steel Plants can be categorised as follows;

(i) Bengene (ii) Coal tar pitch.

(Mi) Hot pressed naphthalen (iv) Carbon black feedstock (v) Ammonium Sulphate

(vi) Other Benzol & tar product covering a large number of iten with small quantity under eac nomenclature.

In the wake of heightened comp(tition, particularly in respect of bei zene, coal tar pitch, hot presse Naphthalene and other benzol and ta products, various steps are being tak en by SAIL, including aggressiv marketing through improved custc mer contact and specialised service to sustain and improve market shar of these items. The control of pric ing and distribution of ammontai suphate, a nitrogenous fertilizer i with Government of India. The mar ket for this product is good am SAIL has not experienced difficultfie so far in selling this product.
